

What is the SIP?

- The SIP is the School Improvement Plan. It includes:
 - the identification of the school planning team and how they will be engaged in the planning process;
 - a needs assessment and summary of academic and non-academic data;
 - prioritized goals, strategies, and action steps to help address the academic and non-academic needs of students;
 - teacher and staff professional development needs; and
 - budgets and the coordination of resources.
- The school must include family representatives on our school planning team.
 - NOTE: While families must be involved in the SIP process, the school can determine who is involved and does not have to include all families.
