Extra and Co-Curricular Parent Alternate Transportation Form

The **Parent Alternate Transportation Form** is to be used when a MCPS High School student rides to, or is returning from a school sponsored event with someone other than the students parent/guardian and other than school-provided transportation.

It shall be the parents/guardians' responsibility to:

A. Have this form signed and approved by the activity sponsor and school administration at least two days in advance of the activity
B. Ascertain and guarantee that the alternative transportation and its provider are safe and adequately insured and that the provider be a person at least twenty-one years of age
C. Release the school from any and all liability resulting from such alternative transportation, including seeing to it that the alternative transportation approved by the school and denoted by the parent/guardian is the one actually used by the student
