1. Narrative description of the Prop 28 arts education program(s) funded. (2500 character limit).

Proposition 28 funding was used to provide supplemental instruction and materials in the areas of arts education to all students in Lodi Unified School District. This included the hiring of one full time teacher who provided instruction in the area of theater arts to elementary and middle school students. Additionally, the district's middle schools, high schools and alternative schools were able to provide additional sections to accommodate students who requested Visual and Performing Arts classes. Teachers at all levels were able to provide supplemental instruction outside of the school day in the area of art education. School sites were able to partner with local organizations who were also able to provide supplemental instruction in the area of art education. School sites were able to purchase a variety of items to supplement their existing Visual and performing arts programs. This included, but was not limited to the purchase of musical instruments, sound equipment, equipment and materials for ceramics and sculpture classes, and materials necessary for graphic design and digital arts classes, and after school activities.
