During School Year 2024-2025, the Phoenix-Talent School District conducted a triennial assessment of the local school wellness policy. The assessment included the following:
Evaluation of the LSWP and how it compares to model policies;
The extent to which schools in our district are in compliance with the LSWP; and

- Student Physical Education & activity standards met
- Additional wellness & physical activities available to students
- Safe Drinking Water is available to all students throughout the school day

*Foods such as ice cream and candies are still being offered as class rewards. Parents bring in cupcakes & other snacks to celebrate student birthdays. Ongoing communications of the nutrition standards is being directed to parents & teachers.*
