

## Seattle Preparatory School – Senior Year Courses

In the 12<sup>th</sup> grade year, students are required to take a minimum of six classes each semester; students taking one AP class are required to take a minimum of six classes one semester and five classes the other semester; students taking two or more AP classes are required to take a minimum of five classes each semester. All students take a one-semester integrated course during the second semester called Senior Capstone, which count towards Theology credit. Students may continue with the next appropriate math course in the math sequence as well as science. All 12<sup>th</sup> grade students take a full year of English course(s).
