In attendance: Cara Wellvang, Terri Shepard, Liz Berliant, Michelle Meekins Cooney, Jessica Lang, Jessica Isaac, Henry Wilkins, Clare Donnovan Scane, Emily Miller, Dr. Pitts, Dr. Osher, Dr. Speth

Meeting overview

The Programs committee met on September 10. In this phase of the SDRP work, the programs committee is working on analyzing out of school time programs (OST). The programs they will be analyzing are School Age Childcare Summer childcare, YMCA Summer Learning, YMCA Meta Media, Summer Literacy Intensive, Jumpstart PreK, Newcomers, Books & Breakfast, School Aged Childcare (before and after school), Right at School and Y.O.U.

At the September 10 meeting, the committee members used agreed-upon analysis categories to analyze School Aged Childcare (before and after school), Right at School. Y.O.U, Books & Breakfast, Newcomers and JumpStart PreK programs. Because we had a small group, the committee discussed each program as a whole group and then provided their analysis based on the agreed-upon rubric. The Director of Programs and Partnerships and the Assistant Superintendent of Academics provided support and added information as needed.
