Campbellsville High School — Class of 2026 Senior Guide

A Message to Our Seniors

Dear Campbellsville High School Seniors,

This is your year—the one you've been working toward since the very beginning of your school journey. As you step into your final chapter at Campbellsville High School, make the most of every moment. Participate fully—whether it's in the classroom, on the field, on stage, or in service to others. These experiences will shape your memories and prepare you for the opportunities ahead.

Live out the **Profile of an Eagle** daily: citizenship, communication, collaboration, character, creativity, and critical thinking. Lead with integrity, show respect, pursue growth, and strive for success. When you embrace these values, you strengthen the legacy of Eagle pride for those who will follow.

With pride and encouragement,

Mrs. Dabney & Ms. Rattliff
