THE COLLEGE COUNSELING OFFICE

Dear Admission Officers,

We hope you're having a restful summer. We are pleased to be able to welcome all reps back to campus this fall and are looking forward to our students engaging with college admission officers on a more personal level. We also recognize that some admission offices still opt for virtual visits, so we welcome both in-person and virtual visits this fall. Scoir does not give reps the capability to choose whether their visit will be remote or in-person, so all visits are set to in-person. If you would prefer a virtual visit, please email Jess Porto at jporto@lacademy.edu and we can change your visit type once you have registered. Please use this link to sign up for visits through SCOIR.

A note about Scoir: If you have not already registered for a Scoir account, please do so. It helps ensure that we have the correct representative in our system so that we can include you on our periodic emails to admission reps. If your school is not accepting documents from Scoir or does not want you to register for a Scoir account, please reach out and let us know the best way to send documents and stay in touch.

If you are not the designated territory manager for Lawrence Academy, please feel free to forward this letter to whomever will be reading applications for us/traveling to our area of Massachusetts. As always, please reach out if you have any questions! We look forward to working with you.

All the best,

Jess Porto on behalf of the Lawrence Academy College Counseling Office

Jess Porto
College Counseling Office Administrator
