AD HOC ARTIFICIAL INTELLIGENCE POLICY DESIGN TEAM UPDATE

Dr. Wroblewski presented the Artificial Intelligence Ad Hoc Committee Structure Plan to the committee. Members will include administrators, teachers, administrative assistants, students, parents, and a Board of Education liaison. He emphasized that student and parent involvement is essential for understanding how students are using AI and proper training parents need to help their students and recognize its capabilities and potential risks. He reviewed the proposed subcommittees and timeline, noting meetings will occur over the next six months. The 2025–2026 school year will focus on developing AI policies and procedures for rollout in 2026–2027. A recommendation will be presented in February 2026.

OTHER

The committee reviewed the Press Policy Issue 119 Update Memo for June 2025, with a more detailed review scheduled for September.
