East High Parent Newsletter

Issue No. 1 | September 2025

Welcome to the 2025-2026 school year and a special warm welcome to our new families. We are excited to get the year underway. Hopefully you were able to attend registration and finalize information in Infinite Campus to ensure we have correct contact information.

We have some excited changes this year for our freshman. The goal of our changes is to improve academic outcomes for students and improve our students' high school experience. Freshman will have close campus lunch. They will be taught the expectations at the beginning of the year and then throughout the year as needed. In addition, we have scheduled our freshman into "teams" or houses to create a team of teachers that work with the same students.

Our four comprehensive high schools came together and created a phone policy that supports our board policy and our students. The policy states that phones will be powered off and put in pocket charts during instructional time. Instructional time is defined as the start and end of class which includes advisory and study hall. This change to help improve academic outcomes for students as they work to obtain high school credits towards graduation.

Our administrative team has been working all summer to strengthen our relationship with community partners by inviting them to school events. Our community partners are eager to continue the work to support our students and families.

To help build the bridge between home and school we will be offering a chance for parents/guardians to participate in Coffee and Conversations with me once a month. These meetings will be limited to twelve people and be in various locations around the community. Please look for a message in the coming week for a chance to sign up for one of these opportunities to have honest and open conversations.

We are eager to get this year started with our students. As always, please reach out if I can be of assistance.

EATS FOR EAST

The mission of East High School's Eats for East meal program is to provide healthy meals and snacks to students during non-school hours. The program supports, on a weekly basis, our unaccompanied youth, homeless students and families in need.

Good nutrition promotes good academics, and this program will ensure that students arrive on Monday morning ready to learn. When students feel their best, they do their best.

The vision for this program is that students be provided healthy food on both school and non-school days. Our schools are our community, and by providing meals and snacks over the weekend, we are supporting our students and improving our community one backpack at a time.

COME SING WITH US!

WELCOMING STUDENTS IN GRADES 2-12

Dear Families

The Badger State Youth Choirs are now available to interested, talented children from the Green Bay area! With twenty years of experience bringing song to thousands of singers across Northeastern Wisconsin, we are now calling GREEN BAY our home! Would you like to sing with us?

Under the umbrella of the Badger State Music, singers in grade 2-12 will have a rich opportunity to sing with others of like interest and talent from across the upper Fox River Valley. They will experience music literacy, voice training, ensemble skill development, and make friendships that will last a lifetime. Our staff of 14 professional music educations, performers, and pianists have a wealth of knowledge and an excellent track record to share with young musicians.

Community music programs can be expensive and sometimes offer little in return. The Badger State Youth Choirs – Green Bay will perform four regular concerts as part of their calendar. In addition, there will be other events including an initial concert featuring the music of composer John Williams with the Civic Symphony of Green Bay (Weidner Center – October). The performance and learning opportunities will be thorough and will hopefully prepare them well for leadership roles within their own schools!

The Badger State Youth Choir program will include rehearsal/concert outfits, a summer retreat, music, and instruction. We want students and families to feel they are getting a "bargain" yet a rich and rewarding musical enrichment experience. The tuition is very modest AND there are scholarship opportunities! No singer will be turned away due to financial concerns.

If you would like to have your child sing with the Badger State Youth Choir – Green Bay, please contact Audrey Moore (choir manager – 920-729-4753). You may text or call. Our email address is SING@BADGERSTATEGIRLCHOIR.ORG

Rehearsals will be on Monday's after school for grades 2-8. High school singers will rehearse on Sunday evenings. Let's make music together!!

Sing-cerely,

Dr. Kevin Meidl, Artistic Director

LATE WORK POLICY

UNIT BY UNIT

Teachers will communicate the unit's end date. All work for the unit will be due by 3:05 p.m. on that day. Students must speak to their teacher for an extension due to a unique circumstance.

Learning is an incremental process: turning in your assignments on time provides you the opportunity to receive feedback and is an incredibly valuable soft skill.

Notes from the School Nurse

- **School nurses are no longer able to provide Tylenol and/or Ibuprofen to students unless the attached OTC (over the counter) medication form is signed by a parent/guardian. This means we are no longer able to call you and get verbal consent over the phone or via text message.**
- **When this form is signed the school nurse is able to administer up to 5 separate doses of Tylenol/Ibuprofen for the school year. Once the student has reached 5 doses administered the parent/guardian will have to provide a bottle to keep at school for their student.**
- **If you did the annual updates on the parent portal this year you were prompted to fill this form out electronically. If you did not do your annual updates on the parent portal you can sign the paper copy and return to school. This new policy does not change our current policy on parent provided medications for school.**
- **Have students return signed forms to Student Services**
- **Please call Nurse Terri 920-272-7652 with any questions**
