

meet the TEACHER

Mrs. Heather Alnes

Welcome to 2nd Grade!

I am so excited to welcome you to the 2025-26 school year! I am looking forward to having your child as a student. Second grade is such a fun year with so many wonderful learning activities to celebrate! In order to have a successful year, my most important goal remains building a community of learners in this classroom. I am committed to creating a classroom environment where every child is a valued, trusted, and integral part of our community. I love learning about the unique strengths and gifts each student brings to our classroom family and the opportunity I get to be part of their elementary experience. Here's to a fantastic new school year!

About Me

Hello! I am Heather Alnes and I live in the Tumwater community with my husband, Robert Alnes and our son Carter who is nearly 14 years old. My husband also teaches at MTS, in the 5th grade. We have two grown daughters, Ashley (25) and Courtney (23) who both live locally and make appearances in the classroom from time to time.

I attended Western Governors University to earn my BA in Elementary Ed and again to complete my Master of Science in Curriculum and Instruction. I previously taught second grade and I'm very excited to teach third grade this time around!

Contact Me

I welcome and value parent involvement throughout the year. I would love to hear from you, and you are welcome to contact me with any questions, comments, or concerns you may have.
