Dear Parent/Guardian,

The safety of our students and staff is very important to us. One of the ways we stay safe is by holding school safety drills.

We are writing to let you know that within the next 5 school days the Nassau BOCES Barry Tech will hold a lockdown safety drill. For more information about these drills, please refer to the Parent Guide ([click here](#)) or call the school's main office 516-622-6816 with any questions.

This school year, in accordance with New York State Education Department (NYSED) requirements, Nassau BOCES will be notifying you prior to each safety drill. There are 12 emergency drills each school year.

Thank you.

Dr. William Poll
Principal
Nassau BOCES Barry Tech
