<p>V. Curriculum Night Feedback          Try to give parents as much notice before hand and not changing it - explained we had to change it due to Katey McPherson being double-booked.          One night seemed okay - heard from a few parents and shared that if they aren't able to attend, the teachers would send out their slide show to all parents. Overall it was very well attended          Pre-communication - know the date for Curriculum Night before school starts to plan better          Katey Mcpherson - well attended - liked offering it during curriculum night!</p>	<p>All</p>

<p>VIII. Good of the Order          Have principal attend PTO meetings - discussed adding the PTO meetings to our school calendar so we have advance notice of the meetings.          Great start to the school year!          Indoor recess - explained heat advisory map that takes into account temperature and humidity. Wish we could somehow have a multi-purpose room that we could use for PE and inside recess.          Our new staff is acclimating well and our theme this year is working as a TEAM - together everyone achieves more.</p>	<p>All</p>
