

# CCPS

Collier County  
Public Schools

**Teaching and Learning**

**ASSESSMENT BRIEF**

**August 2025**

## **2025 Advanced Placement (AP) Results**

As a high performing school district, Collier County Public Schools (CCPS) offers a wide range of opportunities for students to participate in advanced studies courses at the high school level. The Advanced Placement (AP) program offers students an opportunity to study a subject in greater depth, complete college-level courses, and potentially earn college credit while still in high school. Students enrolled in AP courses take a corresponding examination designed to measure the full range and depth of each student's knowledge in the tested area.

Research supports the academic benefits for students participating in rigorous course work and CCPS has continued to grow student enrollment in AP courses as part of the District's efforts to ensure students are college and career ready. We are proud of the following results:

- Increasing the number of AP exams administered, with 6,625 exams in Spring 2025 as compared to 5,339 exams in Spring 2024.
- Increasing the percentage of students earning a Level 3 or higher at 75% in 2025, up from 72.8% in 2024.
- In 24 of 37 exams administered, CCPS students surpassed the College Board national average with more scoring Level 3 or higher, including these exams with high participation rates:
  - Biology
  - Calculus AB
  - English Language Composition
  - English Literature Composition
  - Environmental Science
  - Human Geography
  - Spanish Language and Culture
  - United States History
  - World History

**Table 1 – District AP Results by Year**

Year	Exams Taken	Exams Passed	Percent Passed
2025	6625	4972	75
2024	5339	3889	72.8
