

Frazier Elementary School 2025 - 2026 Student-Parent-Teacher Compact

Frazier Elementary and the parents/guardians of the students participating in activities, services, and programs funded by Title 1, Part A of the Elementary and Secondary Education Act (ESEA) agree that the School-Parent Compact must outline how parents/guardians, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents/guardians will build and develop a partnership that will help children achieve National and State high standards. We at Frazier provide a caring environment for students, staff, and parents to work and learn together. It is our belief that student learning and performance will improve as a result of our cooperative efforts to support this compact.
