The Eden Valley-Watkins School District encourages students to participate in clubs and activities that will enhance their educational experience. The EVW schools will sponsor curriculum related clubs to enhance the learning and academic opportunities for students.

Principal Determination

1. Eden Valley-Watkins will provide an application for club approval. The principal will review each request to establish a club. After review, the administrator shall designate the club as either "curricular" or "non-curricular".

Curriculum Club Criteria

1. Curricular clubs are defined as clubs meeting one (1) or more of the following criteria:
    a. The subject matter of the club is or will be taught in a regularly offered course;
    b. The subject matter relates to the district's composite courses of study;
    c. Participation is required for a particular course; or
    d. Participation results in academic credit.
2. Curricular clubs may be conducted on or off school premises under the guidance and supervision of a staff advisor.

Operating Guidelines for Curriculum Clubs

1. Student participation must not interfere with their academic progress.
2. The safety and welfare of the student must be adequately safeguarded.
3. All activities must have proper faculty planning, direction, and supervision.
4. Building facilities and equipment must be used safely, as intended, and maintained in proper condition.
5. Curriculum clubs may advertise meetings and activities in the following ways:
    a) Posters: Curriculum clubs will be allowed to create and display posters at appropriate locations with prior approval from the building principal.
    b) Daily Announcements: School-sponsored clubs will be allowed to announce dates and times of club meetings one time during the week before the next meeting.
    c) Distribution of Materials: School-sponsored clubs will be allowed to distribute club information to other students at appropriate times and locations with prior approval from the building principal.
    d) School-Sponsored Social Media: A list of curriculum and non-curriculum clubs shall be maintained on the building's website with prior approval from the technology director.
6. This policy applies to secondary-age students. Primary-age students are not bound by this policy, but should use this policy as a guide when operating clubs in their schools.
