

Delta High School
2025-2026 School Year Events

October 7th – Health Science Day

Volunteers needed to lead hands on sessions & workshops for students as they explore health science related careers.

Career Guest Speakers: (10/10, 10/24, 1/23/26, 2/6/26)

STEM professionals share their career & education experiences with Delta Students in a 45-minute classroom presentation.

Career Guest Speakers: (10/10, 10/24, 1/23/26, 2/6/26)

STEM professionals share their career & education experiences with Delta Students in a 45-minute classroom presentation.

December 15th – Winter Wishes Assembly

Students make “wishes” for their peers during this holiday season. Most wishes are needs like warm coats, grocery money, computers, etc. We are looking to partner with area businesses who may want to support this event. Our parent group handles most of the donations.

February 20th – Mock Interview Day

50+ volunteers needed to conduct Mock Interviews with our Junior Class as they prepare for their Senior Year Internships.

February 6th – Delta History Fair

Volunteers needed to judge 9th & 10th grade history projects. Projects can be exhibit boards, papers, websites, documentaries, etc.

March 17th – STEMCon

Annual STEM Convention held at WSU. Volunteer STEM professionals needed to lead workshops that give students a glimpse of real-world STEM careers.

March 17th – Job Shadow Week

All 11th grade students take the day to participate in a Job Shadow Experience to learn more about a career of interest.

April 24th – Internship Fair

Companies who are interested in hosting a Senior Intern participate in this “career fair” to meet & interview potential interns.

May (dates TBD) – Engineering Project Judges

Volunteers needed to judge engineering projects. Culminating projects for their 3rd Trimester course will be presented and receive feedback from panel of judges.
