

## Parent Access for Student Library Resources

Follett Destiny is EMS ISD's online, integrated management system for library resources. Parents and students have access to our online catalogs at each campus. Simply visit the Library section located on your child's campus website for access to the online catalog. We encourage parents and students to begin exploring our collections and learning about the wide variety of resources available for checkout.

As parent or guardian, if your email address is connected to a student in Destiny Library Manager, you can access their library information and the parental control features detailed below.

**Note:** Each student can only be connected to one email address. The email address associated with a primary guardian email in Skyward will have access to these features. If you are experiencing difficulties logging in to access these features, please reach out to your child's campus librarian for assistance.

### To Navigate Additional Parent Features:

Once you are logged in, you can search for and block titles from being checked out as well as view current checkouts and/or any blocked titles for all students associated with your email address. The user's name associated with your email address appears in the top-right corner. If you have more than one student in the district, a drop-down appears. To view a different user, select their name from the drop-down. Use any of the following options:

- **Search:** Search by title, author, or subject to find materials. When search results appear, you can **select the three blue dots to block a title from being checked out** or "View More Details" to view more information on a title as a guest user via Destiny Discover.

*NOTE: Titles that say "Available offsite only" are titles on other campuses than the selected student.*

The screenshot displays the Eagle Mountain-Saginaw ISD library interface. At the top, the district name "Eagle Mountain-Saginaw ISD" is shown on the left, and "STUDENT NAME" is on the right. Below the district name is a "Search Titles" section with a search bar containing the text "very hungry". To the left of the search bar is a vertical sidebar with icons for search, home, clock, and a plus sign. The search results are listed below the search bar. Each result includes a book cover, the title "The very hungry caterpillar = La oruga muy hambrienta", the author "Carle, Eric", and a "View More Details" link. The first two results are marked as "Available offsite only". The third result is also marked as "Available offsite only". The fourth result is "The very hungry caterpillar's Easter colors" by Carle, Eric, and is also marked as "Available offsite only".
