SENIOR INFO

A Yearbook 2026 Canvas Course will be used for all submissions.

Senior Portraits

- Deadline is **March 20, 2026**

Seniors should have scheduled their portrait photography session during the summer or early fall but there is certainly still time to get that done. All portraits must be submitted by you or your photographer of choice by the end of February. This will be the photo used on their "Senior Page". The school picture day is scheduled for 9/17/25

Portraits submitted from sources other than Frausini Photography need to be of high quality (300 ppi), and 2 ¼ inches by 3 ¼ inches. If submitted digitally (email to raitia@region18.org), photos should still be this size and a minimum of 3.5 megapixels. They should be .jpg format and titled with last and first name of student. Portraits are required to be submitted by March 20th, 2026.

Senior Pages

- Space has already been set aside for your senior portrait and name, so you do not need to include these in your design.
