Dear Mr. Carlton,

Thank you for completing the Public Records Request form.

Please find attached the records responsive to your request for:

> *A list of all current employees' first and last name, title, department, and work email address.*

The attached file contains a list of all active employees, including their first name, last name, and job title. While we do not typically categorize employees by "department," we have instead included the building assignment for each employee.

Please note: all employee email addresses follow the format:
first initial + last name @isd221.net

Example: Jane Smith → jsmith@isd221.net

Please consider this response as fulfillment of your Public Records Request. Let me know if you have any questions or need any further assistance.

Have a wonderful day!

Sincerely,

Amanda Weers
