Notes and Reminders

***SGC Elections**

The declaration period for parents and teachers interested in serving on their local SGCs will run from **February 3rd to March 28th**. Click here to check how many council seats your school has open for these positions in this year's election cycle.

****Annual Budget Approval**

FY26 Budget development begins on February 10th and will **conclude on February 28th (Elementary Schools)** and **March 7th (Middle & High Schools)**. SGCs should schedule their February and March meetings prior to their budget closure date to ensure the council has time to discuss and approve FY26 fiscal allocations.
Following the council's approval, each school should complete and submit the FY26 Annual Budget Approval Form.

All Dates are Subject to Change

*****Charter Dollars**

This year, schools have received **$46,391 in Charter Dollars** to help meet their strategic goals through local innovative solutions. These funds should be used for non-personnel purchases such as supplies, registrations, communications, etc. When purchasing personnel, schools are advised to use other funding sources allowable for positions. If Charter Dollars are requested for personnel, the expenditure will require approval from the Zone Superintendent, SGC, and Executive Director of Governance and Strategy. Additionally, any materials purchased to support literacy instruction must align with GaDOE literacy requirements.

Each Charter Dollar expenditure requires an SGC vote for approval, the completion of the Charter Dollar Expenditure Form, and is subject to the same district guidelines that govern school cost center budgets. All Charter Dollars must be spent in the year they are received to support our current student population. We encourage SGCs to schedule discussions early in the year to plan for these expenditures, ensuring all purchases are made before end-of-year spending deadlines. See our Charter Dollar Matrix for examples of FCS-supported expenditures.
