MISSION STATEMENT

Rye Neck is a close-knit school community that values local and global voices. We commit to providing a learning journey that inspires an adaptive mindset and enables all learners to thrive academically and personally.

RYE NECK SCHOOL DISTRICT

The Rye Neck School District is comprised of two elementary schools – one servicing grades K-2 (Daniel Warren) the other for grades 3-5 (F.E. Bellows), as well as a middle school and high school, which share a campus. Rye Neck High School and F.E. Bellows Elementary School are National Schools of Excellence. With a population of approximately 1,400 students, the Rye Neck School District offers a personal education in a public school setting. The small population allows for close interaction between students and faculty. The district strongly emphasizes a sense of opportunity and advancement to its students and continually challenges them to reach even higher levels of personal success.

RYE NECK HIGH SCHOOL

Rye Neck High School is a comprehensive college preparatory high school with a total student population of 430 in grades 9-12. It is accredited by the New York State Board of Regents and has 62 full-time faculty, 96% of whom have advanced degrees. Four school counselors share an equal caseload and work with students consistently for all four years.

Rye Neck's challenging curriculum engages students with a wide array of artistic, athletic, and extracurricular opportunities on a fifty-seven (57) acre campus. The campus includes our main facility which houses classrooms, the School Counseling Suite, the Performing Arts Center, a library, a collaborative science wing, media and technology laboratories, and our art and music studios. The Athletic Center includes a dedicated high school gymnasium, classroom, state-of-the-art Fitness Center, tennis and basketball courts, track and athletic fields.

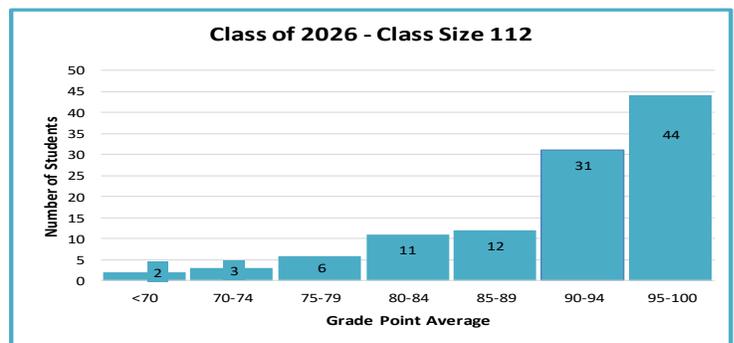

AT A GLANCE

The total enrollment of the high school is 430 students. The self reported makeup of the student body is 80% White, 7% Asian, 6% Multiracial, 4% American Indian/Alaskan Native, and 3% Black. In addition 24% identify as Hispanic. 21% of students are economically disadvantaged and 5% percent are English Language Learners.

ACADEMIC PROGRAM

Most of Rye Neck's fully inclusive year-long (September-June) core academic courses are taught at the New York State Regents level or above. Honors courses are offered in English 9 and 10 and Global Studies 9. Students may take accelerated courses ahead of grade level or Advanced Placement (AP) courses. While our curriculum is rigorous, its variety meets the diversified needs of students. Report cards are provided on a quarterly basis. Rye Neck does **NOT** rank its students, but does provide a junior year-end grade distribution—see below. A course catalog is available on the Counseling section of the Rye Neck website.

[Rye Neck High School Course Catalog](#)

*Total based on six semester averages (109 students—June 2025)

POST-SECONDARY EDUCATION—CLASS OF 2025

- 86% attend four-year colleges
- 8% attend two-year colleges
- 6% employment/other plans

GRADING POLICIES

Grades are calculated on a one hundred (100) point scale with 65 as the minimum grade to pass a course. All credit bearing courses are included in the GPA, including high school courses taken in middle school. Honors, AP, and dual enrollment college courses are weighted by five (5) points. Both weighted and unweighted six semester GPAs are reported on the senior transcript. First semester grades are sent to all colleges at the beginning of February. Seniors with a cumulative GPA of 90 or higher are eligible for the National Honor Society based on scholarship, character, leadership and service. Transfer courses from a non-NYS public school receive a "P" and are not factored into the GPA.

RYE NECK HIGH SCHOOL

ACADEMIC ENRICHMENT

COLLEGE DUAL ENROLLMENT COURSES

Twenty-one (21) courses are dual enrollment courses that offer students the opportunity to earn college credit provided students meet specific college/university criteria. The participating colleges and courses include:

Manhattanville University

- ◆ Advanced Acting: Foundations of Scene Study
- ◆ Musical Theatre
- ◆ Advanced Ceramics
- ◆ Differential Equations
- ◆ AP Comparative Government
- ◆ AP United States History
- ◆ AP World History
- ◆ AP Psychology
- ◆ AP Macroeconomics

SUNY New Paltz

- ◆ Social Inequality in the U.S.
- ◆ Business: Principles of Management
- ◆ Sociology

SUNY Westchester

- ◆ French IV, Italian IV, Spanish IV
- ◆ Algebra 2: Functions and Models
- ◆ Pre-Calculus
- ◆ Pre-Calculus/Intro to Calculus BC
- ◆ AP Calculus AB
- ◆ AP Calculus BC
- ◆ Calculus 1

ADVANCED PLACEMENT

Admission to AP courses is open to all. Students in AP courses **are required** to take the AP examination. In 2025, 605 AP exams were administered to 227 students. Eighty-five percent (85%) of students earned scores of three or higher.

Twenty-two (22) AP courses are available: Calculus AB and BC, Statistics, English Language and Composition, English Literature and Composition, Macroeconomics, U.S. History, World History: Modern, Comparative Government & Politics, Human Geography, Spanish Language and Culture, French Language and Culture, Italian Language and Culture, Psychology, Art and Design Program, Computer Science A, Computer Science Principles, Biology, Chemistry, Physics C: Mechanics, Environmental Science, Seminar and Research.

2024-2025 AVERAGE NUMBER OF AP COURSES TAKEN BY GRADE	
SENIORS	71% took an average of 3.2 AP classes
JUNIORS	79% took an average of 2.6 AP classes
SOPHOMORES	36% took an average of 1.4 AP classes
FIRST YEAR	2% took 1 AP class

SIGNATURE PROGRAMS

SCIENCE RESEARCH COURSES

Students typically enroll in an introductory science research course and move on to the advanced science research course. These courses are designed for students who wish to develop and conduct an original scientific research project. The courses typically require at least a **three-year commitment** in the development and execution of a project. The goal is for students to identify an area of interest, work with a mentor in their field of interest and work toward the completion of a research project by the beginning of junior or senior year. Students are required to enter local, state and national science competitions.

SENIOR INTERN PROGRAM

The Senior Internship Program (SIP) is a non-paid internship that provides all eligible senior students with a link between school and the workplace. Students are responsible for researching and documenting information regarding their internship and fostering relationships with mentors. The internships culminate in a presentation highlighting their experience.

INDEPENDENT LEARNER PROGRAM

The Independent Learner Program (ILP) offers students an opportunity to develop their strengths and talents in an interest-based project. Self-directed ILP projects emphasize the application of knowledge and skills in real world situations. Previous projects have included software development and programming, entrepreneurship, creative writing, social science research, and preparation for national academic and arts competitions.

ELECTIVE COURSES

In addition to elective AP courses, Rye Neck High School offers a wide array of electives designed to develop individual strengths and interests. Elective courses are offered in the areas of: business, humanities, leadership, social sciences, STEM, and unified arts.

COMMUNITY SERVICE

Community Service is an opportunity for students to contribute in a meaningful way to the needs of the community-at-large. As a graduation requirement, students are required to complete forty (40 hours) of community service. Going well beyond this requirement, the Class of 2025 completed 29,680 hours of service.

EXTRA AND CO-CURRICULAR ACTIVITIES

Rye Neck offers a wide variety of extra and co-curricular activities, including 58 athletic teams within 24 sports across 3 seasons. There are 27 varsity, 10 junior varsity and 21 modified teams. Over 65% of our students in grades 7-12 participate in interscholastic sports, of which 50% play multiple sports — over 800 athletes across the three seasons.

Rye Neck has an active Student Government Association, competitive Mock Trial Team and Science Olympiad teams, and Model UN. There is a school newspaper, yearbook and literary magazine. Subject, awareness, support, community service and performance clubs are also in abundance. Approximately **90%** of the student body participates in one or more activities.

DISCLOSURE STATEMENT

Rye Neck High School does not customarily share disciplinary infractions with other educational institutions. We advise students to honestly self report any information regarding disciplinary actions while at Rye Neck High School.

RYE NECK HIGH SCHOOL

SAT MEAN SCORE RESULTS

49% of the Class of 2025 took the test

Class	Evidence-Based Reading & Writing	Mathematics	Composite
2025	618	610	1228
