LEARN TO TRAVEL. TRAVEL TO LEARN.

Journey through Peru to explore its vibrant history, culture and people. Visit ancient archaeological sites, wander local markets and take part in hands-on activities like cooking traditional Andean dishes and learning about native farming practices. Discover the importance of native potatoes at Parque de la Papa, experience traditional weaving, explore museums and dive deep into the rich heritage that makes Peru so unique. Current Grade 9-11 students who are adventurous, adaptable and curious about the world are encouraged to apply. If you're excited to move from town to town, open to cultural exchange and ready to challenge yourself—physically and mentally—this journey is for you.
