## **Paterson Public Schools Closed Due To State Of Emergency**

The Paterson school district had an early dismissal for students and staff today, December 18, because of flooding throughout the city.

District administration notified students and staff through robocalls and email that school buildings and District offices will be closed on Tuesday, Dec. 19, due to the state of emergency.

Remote learning will not be initiated, and the school calendar will be adjusted to achieve the requisite 180 days of instruction.

The District plans to open school buildings and offices on Wednesday, December 20.
