Summary of 2025 Budget Session:

- Largest variable for the 25-26 Budget was the state biennium budget
 - \$325 Revenue Limit increase remained in law - allowing for more consistent budgeting for future years
 - Typically a revenue limit increase was supplemented by a general aid increase - this did not happen in this cycle.
 - Special Education Categorical Aid reimbursement will increase from 33.3% in 24-25 to 45% by the end of the Biennium
 - Additional dollars allowed resource to be put towards Co Curricular pay adjustments, and the updated Operations Staffing Plan
- Self-Funded Health Insurance Plan changed to Surest for 2025
 - The Health Plan changes are on track to save the district \$900,000 as compared to the previous plan year.

Next Steps to Keep in Mind:

- There are still large variables to be ironed out in the 25-26 budget:
 - 3rd Friday of September pupil count – helps finalize Revenue Limit
 - Aid Certification – October 15th – final factor in determining tax levy / mill rate
- As factors change, the board is notified and the budget may be adjusted
- District Administration continues to work tirelessly in order to leverage grants, assess staffing, and be good stewards of public resources.
- **The Board will review budget revisions at the October 15th meeting which will reflect these changes**

- Most other funds are self sufficient, or receive their revenue from F10

Fund 10 Revenue

F10 Revenue:

Local Sources	\$12,841,040
State Sources	\$28,516,310
Federal Sources	\$1,292,247
Open Enrollment:	\$3,935,708
Other:	\$30,000
Total Revenue:	\$46,615,305.00

The vast majority of the school district's revenue (State Aid and Property Tax) is determined by the Revenue Limit

How the Revenue Limit is Calculated

- The primary driver is **Membership**
 - Membership **is not** Enrollment
 - Membership is the number of our resident students plus students open enrolling to another district, prorated at their full time equivalency (FTE)
 - This year's FTE membership is projected to be 2,572, as compared to 2,603 last year
 - The three year FTE Average is used to calculate the Revenue Limit

SDSM's 25-26 Revenue Limit

Revenue Limit, State Aid, and Property Tax

- The Revenue Limit is the maximum amount of money the district can receive from State Aid and Property Tax
- If State Aid increases, Property Tax decreases, or vice versa.
- Revenue Limit Aid Estimate: **\$26,003,224**
 - This amount ~160k less than last year
- Revenue Limit F10/Debt Property Tax Estimate: **\$12,732,600**
