What is SHAC?

School Health Advisory Councils (SHACs) help parents and the community have a voice in issues that impact child health. Whether it is about school meals, staff wellness, vaping, recess or bullying; SHACs can provide input and resources to District leadership as they work to find solutions to the health challenges they face.

SHAC - Meeting Requirements

- SHAC must hold at least four public meetings each school year.
- "Public meeting" requirements:
  - Must post notice of date, hour, place and subject 72 hours prior
  - Must make an audio or video recording of the meeting and maintain minutes
  - Must submit the recording and minutes within 10 days for posting on the district website

Circle Up Experience

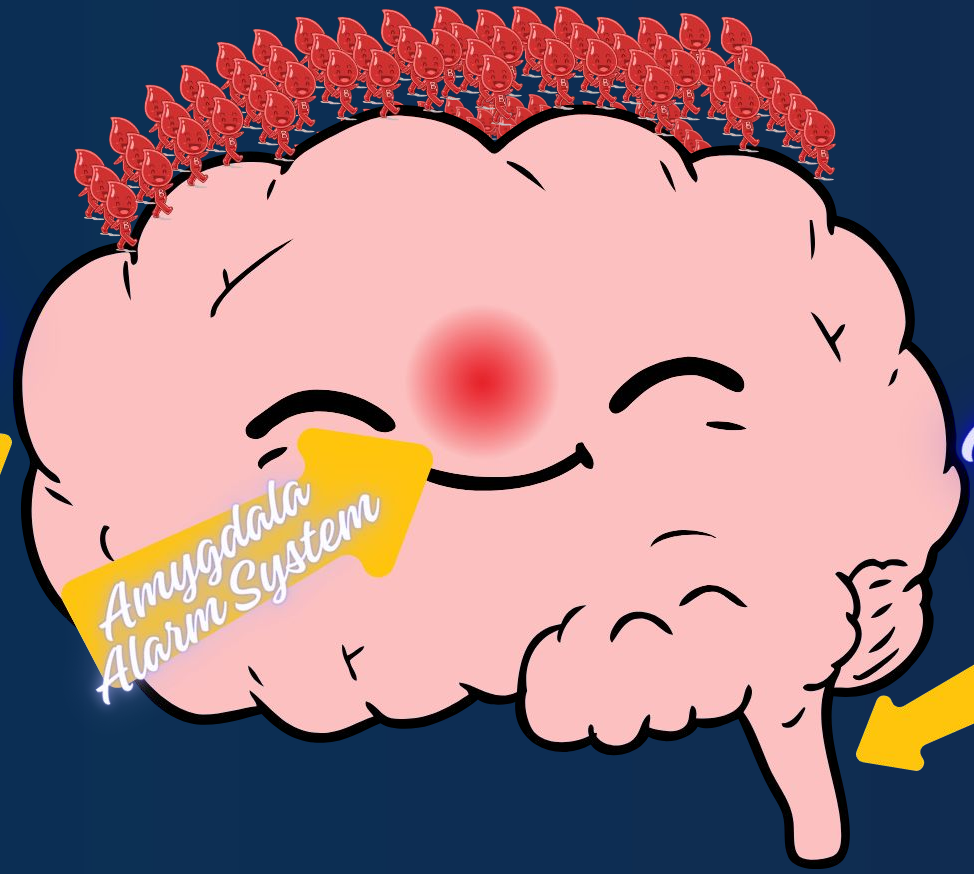

Regulated Brain is a learning brain.

Regulated Brain is a learning brain.

Pre Frontal Cortex Smart Brain

Brain Stem Reptile Brain Down Stairs Brain

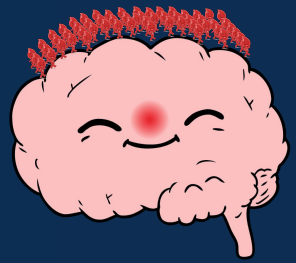

Dysregulated brain.

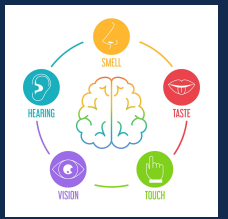

When was the last time your brain felt dysregulated?

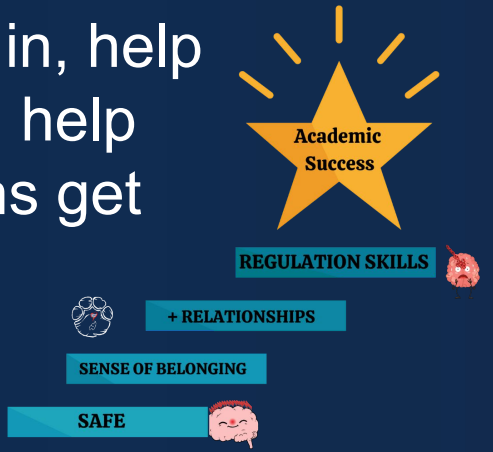

What did you do to get back to a regulated state?

Circles are a tool we are using to check in, help students feel safe and connected and help them practice a skill to help their brains get ready for learning.
