Complete eligibility regulations can be found in Article 9 of the FHSAA Bylaws in the FHSAA Handbook, which is available at www.FHSAA.com.
See your Principal, Athletic Director, or Coach if you have questions or need further explanation of details and exceptions or contact EmailEligibility@fhsaa.org.

ALL Athletic Paperwork must be complete in Aktivate before trying out or attending practice.

Don't know what Aktivate is - please see the school website under athletics or have your child stop by the Athletics window.
