SUBJECT: Replacement School Bus Tires RFP#18-817

We received proposals from five companies for replacement school bus tires.

As outlined in item 18 of the RFP documents - Award Method; the bid may be awarded on individual line items or on a lump sum basis. It is in the best interest of the Richmond County School System to do business with one vendor for school bus tires per the transportation department. Individual prices were multiplied by estimated quantities based on purchases from the previous fiscal year to determine the overall low bidder for all items.

Best Drive/Hill Tire did not bid on the mounting and demounting of each tire therefore this vendor does not meet all specifications. Administration recommends that the contract to purchase school bus tires be awarded to Jim Whitehead's Best One Tire located in Augusta, Georgia. The award is for their Option B pricing and is based on quality and overall low price for all items requested in the RFP.

This contract will be effective from August 1, 2018 through July 31, 2019 with an option to renew for two addition one-year periods.
