

“Armored in Excellence”

The Purpose and Benefit of this compact

The purpose of this compact is to ensure effective **engagement** of parents and to support a partnership between our school, parents and the community to improve student academic success.

This compact explains what families and schools can do to make a connection for the student between the two "worlds" they live in, home and school.

Communication about Student Learning

Jamestown Elementary School is committed to request two-way communication with families about children’s learning. Some of the ways you can expect us to reach you are: Canvas, Weekly homework folders, updates on the school website, grades in Infinite Campus, Class Dojo, parent-teacher conferences in the Fall and Spring, individual phone calls and text messaging. If you have questions or comments, you may contact your child’s teacher by phone at 706.796.4760 or email. Email addresses are located on the school website at <https://www.rcboe.org/jamestown>

Jointly Developed

The parents, students, and staff worked collaboratively to share ideas that developed the school-parent compact. The Leadership team met to develop academic goals based on the Georgia Standards of Excellence. Stakeholders, parents, and students provided feedback on their needs. Meetings were held throughout the year and comments were accepted anytime. Parents, stakeholders, and staff met to revise the compact until developing one that the majority agreed upon.

Official meetings are held each year, but comments are accepted anytime as Stakeholders are encouraged to use the input forms that are located in the parent center to give feedback at any time during the school year.
