What is a School-Parent Compact?

It is a written agreement describing how all members of a school community (parents, teachers, principals, and students) agree to share responsibility for student learning. This compact helps build a bridge between the school and home to encourage learning, communication, and achievement for all students.

Jointly Developed

Parents, students, and staff partnered together to develop this school-parent compact for achievement. Parents are encouraged to attend annual revision meetings held in the spring each year to review the compact and make suggestions based on student needs and school improvement needs. Parents are also encouraged to participate in the annual Title I parent survey that is also used as a tool to collect parent feedback regarding current Title I programs and policies.
