EMERGENCY PHONE NOTIFICATION SYSTEM

2025-2026

Eastern Suffolk BOCES prides itself on putting the health and safety of our students first at all times. In an effort to keep parent(s)/person in parental relation(s) up-to-the minute with information, we have adopted a new school-to-home communication platform called ParentSquare. This system is designed to keep you informed and encourage greater engagement and connection with your child’s school and our agency. It provides a way for administrators, school principals, teachers, staff and parents to send and receive school information via email and/or text. You can also download the ParentSquare app. You will be receiving an invitation email and/or text to join ParentSquare, and you’ll click a link to activate your account.

Please provide a preferred email address and up to three notification numbers for us to use.
