

How to Select Your Language in a Webex Webinar

(Simultaneous Interpretation)

1. Join the Webinar

- Click the Join link provided in your invitation.
- Enter your name and email address, then select **Join Webinar**.

A screenshot of the Webex Join Webinar form. It features two input fields: 'Name' and 'Email'. Below these fields is a green button labeled 'Join Webinar'.

2. Open the Interpretation Menu

- Once inside the Webinar, look at the bottom of your Webex screen (desktop) or the menu bar at the top/right (mobile).
- Find the Interpretation (🌐 globe icon) and click/tap on it.

3. Select Your Language

- A list of available languages will appear.
- Choose your preferred language (for example, Spanish, Creole, Portugues)

A screenshot of the Webex language selection menu. It shows a list of languages: Spanish, Creole, and Portuguese. The 'Creole' option is highlighted with a light blue background.

4. Adjust the Volume Mix (Optional)

- After selecting your language, you'll see a slider to balance the interpreter's voice and the original speaker's voice.
- Move the slider left or right depending on whether you want to hear mostly the interpreter or more of the original speaker.

A screenshot of the Webex volume mix slider. It shows a slider labeled 'Interpreter' with a green dot indicating the current balance. Below the slider are left and right arrow icons.

✓ Tips for Participants:

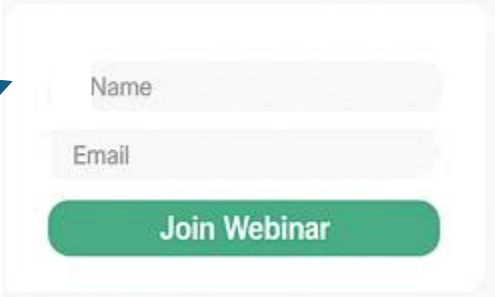

- Use headphones or earbuds for the best listening experience.
- Make sure you're using the latest version

Cómo Seleccionar Su Idioma en un Seminario

Webex Interpretación Simultánea

1. Únase al Seminario Web

- Haga clic en el enlace de invitación proporcionado.
- Ingrese su nombre y correo electrónico, luego seleccione Unirse al Seminario Web.

A registration form with two input fields: 'Name' and 'Email'. Below the fields is a green button labeled 'Join Webinar'. A blue arrow points from the text 'Unirse al Seminario Web' in the previous block to the 'Join Webinar' button.

2. Abra el Menú de Interpretación

- Una vez dentro del seminario web, busque en la parte inferior de su pantalla (computadora) o en la barra de menú arriba/derecha (móvil).
- Encuentre el ícono de Interpretación (🌐 globo) y haga clic/toque en él.

3. Seleccione Su Idioma

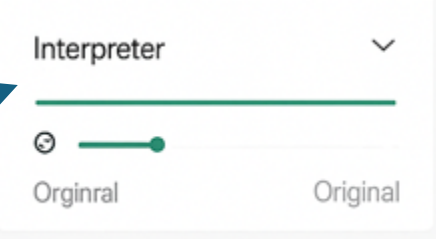

- Aparecerá una lista de idiomas disponibles.
- Elija su idioma preferido (por ejemplo, Español, Criollo, Portugués).

A dropdown menu showing three language options: 'Spanish', 'Creole', and 'Portuguese'. The 'Creole' option is highlighted with a light blue background. A blue arrow points from the text 'Elija su idioma preferido' in the previous block to the 'Creole' option.

4. Ajuste la Mezcla de Volumen (Opcional)

- Después de seleccionar su idioma, verá un control deslizante para equilibrar la voz del intérprete y la del orador original.
- Mueva el control dependiendo si desea escuchar más al intérprete o al orador original.

A volume mixer control. At the top is a dropdown menu labeled 'Interpreter' with a downward arrow. Below it is a horizontal slider bar. Under the left end of the slider is a speaker icon and the word 'Original'. Under the right end is the word 'Original'. A blue arrow points from the text 'verá un control deslizante' in the previous block to the slider bar.

Consejos para los Participantes:

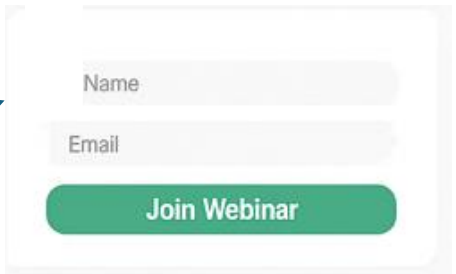

- Use audífonos o auriculares para una mejor experiencia de escucha.
- Asegúrese de estar usando la versión más reciente.

Kijan Pou Chwazi Lang Ou nan yon Webex Webinar

Webinar (Entèpretasyon Similtane)

1. Antre nan Webinar la

- Klike sou lyen “Join” yo voye ba ou nan envitasyon an.
- Antre non ou ak adrès imel ou, epi chwazi **Join Webinar**.

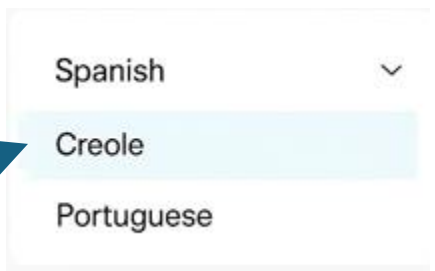

2. Louvri Meni Entèpretasyon an

- Lè ou fin antre nan Webinar la, gade anba ekran Webex ou (sou òdinatè) oswa nan meni anlè/dwat la (sou mobil).
- Jwenn ikòn Entèpretasyon an (🌐 glòb) epi klike/touche sou li.

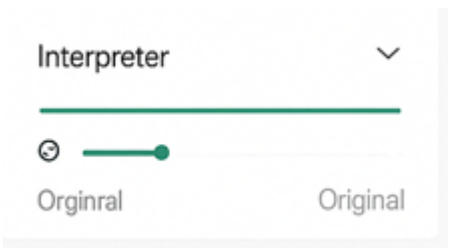

3. Chwazi Lang Ou

- Yon lis lang ki disponib ap parèt.
- Chwazi lang ou prefere (pa egzanp: Panyòl, Kreyòl, Pòtigè).

4. Ajiste Volim Mix la (Opsyonèl)

- Apre ou fin chwazi lang ou, ou pral wè yon ba glisan pou balanse vwa entèprèt la ak vwa oratè orijinal la.
- Deplase ba a a goch oswa a dwat selon si ou vle tande plis entèprèt la oswa plis oratè orijinal la.

✅ Konsèy pou Patisipan yo:

- Itilize kas ekoutè oswa “earbuds” pou pi bon eksperyans pou tande.
- Asire w ou ap itilize dènye vèsyon aplikasyon an.
