# i-Ready Choice Board

Choose what interests you to look at more closely during our i-Ready exploration time.

## Experience i-Ready Diagnostic as a Student!

**Click here to explore the i-Ready diagnostic as a student!**

Check out the Personalized Learning Instruction Summary (Class and Student), and Personalized Instruction by Lesson. Next, go into your own i-Ready reports to learn more about how your students are performing. Dig into the prerequisites report.

## Which report do I choose?

**Explore the different report options and then go into your i-Ready to view your own class reports.**

## Visit the i-Ready Video Hub!

**You can view How To videos, Promising Practices videos, and videos about supporting students and families.**

## WHAT ELSE COULD I DO?

- Plan for upcoming instruction.
- Review the pathways - make adjustments as needed.
- Look at Fluency Flight - you can experience this as a student or see data through class reports.
- Try assigning a lesson on i-Ready for your class.
