
DR. ROY D. HOFFMAN SCHOLARSHIP FUND

**For High School Graduates in Bedford & Fulton Counties
Attending College (2 or 4 yr) or Technical Education**

BACKGROUND

The Dr. Roy D. Hoffman Scholarship Fund was established in April 2002 in memory of longtime Bedford County veterinarian and community leader, Dr. Roy D. Hoffman. "Doc" as he was affectionately called served the community for 70 years taking care of farm animals, pets and small animals in his Bedford clinic and at various farms in Bedford and Fulton Counties.

As a student, Doc had a difficult time financially, as his father died at the age of 33 from pneumonia (antibiotics were not available then). He was able to attend the University of Pennsylvania School of Veterinary Medicine through the help of his uncle but worked to make ends meet. His memory of this difficult time prompted this scholarship.
