Vacancies in the membership of a regional Board shall be filled from the constituent districts represented by the former incumbents in the same manner as vacancies in the membership of Boards of Type II districts having elected Boards in accordance with N.J.S.A. 18A:13-11. Such vacancies shall be filled as follows:

1. By the Executive County Superintendent, if the vacancy is caused by the absence of candidates for election to the Board or by the removal of a member because of lack of qualifications, or is not filled within sixty-five days following its occurrence;

2. By the Executive County Superintendent, to a number sufficient to make up a quorum of the Board if, by reason of vacancies, a quorum is lacking;

3. By special election, if in the annual school election two or more candidates qualified by law for membership on the Board receive an equal number of votes. Such special election shall be held only upon recount and certification by the County Board of Elections of such election result, shall be restricted to such candidates, shall be held within sixty days of the annual school election, and shall be conducted in accordance with procedures for annual and special school elections set forth in Title 19 of the Revised Statutes. The vacancy shall be filled by the Executive County Superintendent if in such special election two or more candidates qualified by law for membership on the Board receive an equal number of votes;

4. By special election, if there is a failure to elect a member at the annual school election due to improper election procedures. Such special election shall be restricted to those persons who were candidates at such annual school election, shall be held within sixty days of such annual school election, and shall be conducted in accordance with the procedures for annual and special school elections set forth in Title 19 of the Revised Statutes;

5. By the Commissioner of Education if there is a failure to elect a member at the annual school election due to improper campaign practices; or

6. By a majority vote of the remaining members of the Board after the vacancy occurs in all other cases.

Each member so appointed shall serve until the organizational meeting following the next annual election unless the member is appointed to fill a vacancy occurring within the sixty days immediately preceding such election if the annual election is held in April, or occurring after the third Monday in July if the election is held in November, to fill a term extending beyond such election, in which case the member shall serve until the organizational meeting following the second annual election next succeeding the occurrence of the vacancy, and any vacancy for the remainder of the term shall be filled at the annual election or the second annual election next succeeding the occurrence of the vacancy, as the case may be in accordance with N.J.S.A. 18A:12-15.

The Board Secretary shall promptly notify the President of a vacancy to be filled by the Board. The President shall inform all other Board members. The Board will give public notice of the vacancy and invite any qualified person to submit a written request for consideration of their candidacy for the vacancy. The Board may also require candidates submit a resume with their written request.

In considering candidates who have expressed an interest in a vacancy, the Board may interview candidates in public or executive session. The Board must vote to appoint a candidate to a vacancy in public session and there shall be no decisions made in executive session. In the event interviews are conducted in executive session, Board members, in the public session nomination and voting process, shall express their opinion in support of their vote so the public can witness any deliberations, policy formulation, and the decision making process of the Board.

A roll call vote will be conducted on candidates in the order the candidates were nominated with a second. If there are two or more vacancies, each vacancy will be filled by a separate election process. The first candidate who receives the votes of a majority of the remaining Board members will be elected to the vacancy. In the event no candidate receives a majority vote of the remaining Board members, another election process shall be conducted between the two candidates receiving the highest number of votes.

Internal controls shall promote operational efficiency and effectiveness, provide reliable financial information, safeguard assets and records, encourage adherence to prescribed policies, and comply with law and regulation in accordance with N.J.A.C. 6A:23A-6.4(a).

The specific internal controls contained in N.J.A.C. 6A:23A-6 shall be established together with other internal controls contained in N.J.A.C. 6A and other law and regulations, required by professional standards, and as deemed necessary and appropriate by district management. The district may submit to the Commissioner of Education a written request to approve an alternative system, approach, or process for implementing the internal controls required in N.J.A.C. 6A:23A-6. The application shall include documented evidence, including, but not limited to, an independent, third-party written assessment that the alternative system, approach, or process will achieve the same safeguards, efficiency, and other purposes as the specified internal control requirement(s) in accordance with N.J.A.C. 6A:23A-6.4(b).

The district shall evaluate business processes annually and allocate available resources appropriately in an effort to establish a strong control environment pursuant to N.J.A.C. 6A:23A-6.5. In accordance with the provisions of N.J.A.C. 6A:23A-6.5(b), the School Business Administrator/Board Secretary shall identify processes that are a violation of sound segregation of duties when performed by the same individuals. The School Business Administrator/Board Secretary shall segregate the duties of all such processes among Business Office staff based on available district resources, assessed vulnerability, and the associated cost-benefit, except as required at N.J.A.C. 6A:23A-6.5(b)1. and 2. The district shall establish a SOP that ensures office supplies are ordered in appropriate quantities, maintained in appropriate storage facilities, and monitored to keep track of inventory in accordance with N.J.A.C. 6A:23A-6.6(c).

If the district has a budget in excess of $25,000,000 or more than three hundred employees, the district shall maintain an Enterprise Resource Planning (ERP) System that integrates all data and processes of the district into a unified system. An ERP system uses multiple components of computer software and hardware and a unified database to store data for the various system modules to achieve the integration. Whenever considering financial systems or the automation of other services or functions, the Superintendent or School Business Administrator/Board Secretary shall notify the Executive County Superintendent in writing to see if opportunities for a shared service system exist. Access controls shall be established for key elements of financial systems to ensure a single person does not have the ability to make system edits that would violate segregation of duties controls in accordance with N.J.A.C. 6A:23A-6.7(c).

The district shall maintain an accurate, complete, and up-to-date automated position control roster to track the actual number and category of employees and the detailed information for each in accordance with N.J.A.C. 6A:23A-6.8(a). As used in this Policy, "sunscreen" means a topical product used for the purpose of limiting skin damage caused by overexposure to the sun, and which is regulated by the Federal Food and Drug Administration for over-the-counter use, in accordance with N.J.S.A. 18A:40-12.39.a.

Students are not required to provide documentation from a physician or other licensed health care professional in order to use sunscreen or sun-protective clothing while outdoors at school or a school-sponsored function. Any student found to be using sunscreen in an inappropriate manner shall have their permission to use sunscreen revoked and be disciplined in accordance with the student code of conduct.
