Ashwaubenon Public Safety is announcing the retirement of School Resource Officer Jackie Dunlap, who has faithfully served the Ashwaubenon School District for the past 11 years and Public Safety for 20 years! SRO Dunlap's last day will be January 16, 2026.

SRO Dunlap has been more than just a law enforcement presence in the schools — she has been a mentor, protector, role model, and friend to countless students and staff. Her calm demeanor, dedication, and commitment to building positive relationships made a lasting impact across every school she served.

From ensuring a safe and welcoming environment, teaching D.A.R.E to all 5th graders, attending student events, and providing support during challenging times, SRO Dunlap went above and beyond the call of duty each day. Her work helped shape a school culture rooted in trust, respect, and safety. She will be missed by our department as well as the School District.

At this time Ashwaubenon Public Safety would like to announce that Officer Eric Paulowski has been selected to replace SRO Dunlap in January. Officer Paulowski is a 20-year veteran with the department and is looking forward to this new role in continuing the D.A.R.E program for all 5th grader as well as fostering a safe, respectful, and supportive environment across our schools.

Congratulations SRO Dunlap! We look forward to working with you until your retirement.
