- DAC Report
 - See district website for meeting minutes
 - DAC meeting on Thursday, Sep 19, 2024
 - Last meeting presented UIP, not many changes
 - Want SACs to sign off on bond proposal: DAC wants endorsement of SACs to reassure community
 - We will be advertising where/how funds will be used
 - SAC members would like to see a big sign out front with bond funds info
 - Our SAC team uncomfortable with wording/verbiage of what the DAC put out for bond info, need specifics and relevant data
 - Potential for feeder SAC meeting to discuss: offer virtual attendance for parents unable to attend, have district presence (Erin Kane?)
 - Voting: 3-2, SAC WILL endorse
 - The impact of \$73: community only gets back \$73 a year if not passed, if passed the impact of the funds is huge to schools
 - Feedback to DAC:
 - there is not a good place for information
 - no calendar to refer to for meetings
 - emails regarding meeting not sent out in a timely manner
 - social media does not need to be a means of communication for DAC
 - SACs do not need a DAC member
 - SACs do not need a school SAC generic email address
- SAC community recruitment:
 - consider having meetings at earlier/later times for parents who cannot attend a 4:30 meeting
