A digital **Student Directory** is being created by the Margate Education Foundation (MEF) for Margate City School District Students and their Families.

This is a valuable tool for Students and Parents/Guardians to connect to one another; especially with school assignments, class parties, etc.

Please note: Participation is Optional.

Please use the QR code below, or click https://forms.gle/2PHFPmVDCRaaCgbs7 to add your information to the Google Form.

This form will be distributed to those that participate by October 1, 2025.
