These questions and answers are about the pledges and your participation in this important project.

How much should I give?

Discuss this with your family. Make your gift reflect your pride in the project. Please reference the "Guide for Giving" at the right.

How much time will I have to make my pledge payments?

This campaign is designed as a 3-year maximum pledge payment period. Payments can be made as a one-time gift or annually, whichever plan best suits the donor. Pledges less than \$450 may be given only as a one-time gift.

How will I know when to make my pledge payment?

Convenient reminders will be mailed to you according to the payment plan you have chosen. If you wish to change the plan for any reason, contact a member of the campaign committee or Community Foundation directly and better arrangements will be made for you.

Are gifts of stock or real estate acceptable?

Yes. It may be advisable to contribute the stock directly to the project rather than selling and contributing the proceeds. Check with your financial advisor.

Please use the following names in all recognitions of this gift (please limit to 30 spaces):

_____ I (we) wish to have our gift remain anonymous and not be recognized at the facility.

Will donors receive recognition?

Yes. All donors, unless you'd rather remain anonymous, will have their names attractively and permanently recognized at the facility.
