

Welcome To Cormier School!

AUGUST/SEPTEMBER 2025

*Please keep this packet
for future reference*

Letter from the Principal

Cormier Families,

I want to take this opportunity to welcome you to the 2025-2026 school year. I am so excited to meet all of you at our Meet Your Teacher Night on August 27th and see all of our new and returning students. It is such a joy for me to see our hallways and classrooms filled with smiles and excitement for the upcoming year. I think you will see that Cormier School is a special place to learn and grow. Our dedicated staff will strive to make connections with your child to help them feel valued, accepted, and safe.

Our district vision is "Excellence in education so every student will achieve their full potential". I know that our outstanding Cormier staff will make this vision a reality. They have such a passion for early childhood education and will do anything to meet the needs of every learner and make learning fun and rewarding for your child.

I encourage you to stay connected and informed by following our new district website, our Facebook page, our weekly Wednesday announcements, my monthly newsletters, and your child's SeeSaw account. This will allow you to see your child's learning and be informed of all the great things happening at Cormier.

Once again, welcome to Cormier! I am looking forward to a great school year. We are excited to work with your child and build a strong foundation for their educational journey.

In this packet you will find information to help you as you plan for the new school year. Please feel free to call the school office any time you have questions or concerns.

Sincerely,

Brian Carter
Cormier School Principal
