Learning Expectations Grades 3-12

- Every Student should have been issued a Chromebook.
- Students are expected to have their Chromebook with them in school fully charged everyday. This year, usage of the Chromebook is dependant upon the teacher's daily lesson and will vary from class to class.
- Our goal for many years was for each student to have a device to her/himself and we now have achieved that goal. Every student will have a district issued computer for use in school and at home.
- If you have a problem with your Chromebook, please contact your school's Educational Technology Specialist for a repair or replacement.

Rahway Email

**Every student has a
district provided Gmail.**

The naming convention is:

first initial + last name[HS grad year]@rahway.net

For example:

If Mickey Mouse was in 1st grade, his email would be

*There are exceptions when two students in a given grade level have the same first initial and last name.

Rahway Email Continued

Most lower grade passwords are pass+the last 4 digits of their student ID number, which can be found in PowerSchool.

Example:

Google Classroom

Google classroom is a place for your child's teacher to post announcements, set assignments and homework, ask questions and share news. Students can see what work is due, submit assignments, take quizzes, post messages, and more.

The screenshot shows the Google Classroom interface for a class named "Carol Troia Kindergarten 2020-2021". The page has a navigation bar with "Stream", "Classwork", "People", and "Grades". The main content area features a header image of a classroom with a table and chairs. Below the header, there is a section for "Upcoming" with the text "No work due soon" and a "View all" link. A post from the teacher, Carol Troia, is visible, with the text "Announce something to your class" and a "View all" link. Below that, there is a post from the teacher, Carol Troia, with the text "Carol Troia posted a new material: Mrs. Troia Virtual Schedule Week 39, June 14-18, 2021" and a "View all" link.
