Principal's STUDENT Advisory Group:

I hope this finds you well and that you are excited about the 2025-2026 school year! I am looking to start a principal student advisory group this year to ensure that I get input on important decisions about your education and school experiences from a wide range of student perspectives. With that being said, if you find yourself with opinions and ideas that you would like to share, please consider applying for a seat on the advisory. This is not a popularity contest! I truly am looking for a diverse and wide range of student perspectives to help improve our school and the student experience. If interested, please complete the [Principal's Student Advisory Group Form here](#) or scan the QR code:

Principal's PARENT Advisory Group:

All SHS parents/guardians are invited to be a part of the Principal's Parent Advisory Group which will hold our first meeting on Wednesday, September 10th at 7:00 PM in the SHS Library Media Center. This meeting is an opportunity for parents/guardians to gain information about the high school and also allows the school administration an opportunity to better understand the views and concerns of parents/guardians. Principal, Anthony Hibbert, will lead the meeting as an open forum. Some topics that may be discussed, but not limited to, include: Portrait of a Graduate, academic support, assessment practices, attendance policy, school wide rubrics, and school culture. Please come with any questions, concerns, and feedback you may have to discuss.
