ATTENDANCE RULES: Please refer to PISD'S Student Code of Conduct. Attendance is taken at 9:30 a.m. at Sablatura Middle School. The only excusable reasons for a child to miss school are personal illness of the student, communicable disease control, or death in the immediate family. A student is also excused for a temporary absence resulting from a visitation to a health care professional if the student commences classes or returns to school on the day of the appointment. A note from the health care professional verifying the appointment will need to be turned in upon arrival for the student to be counted present. Any other absences are unexcused.

Excessive unexcused absences constitute a violation of the law for which the parent or guardian may be held responsible. Parents will be warned in writing for children who are failing to comply with compulsory school attendance laws. Students are required to be in attendance for at least 90% of the total days' school is in session in order to pass the current grade level.

Upon return to school from absence:

The board has established policies and procedures to prohibit bullying and to respond to reports of bullying. For further details, please see the PISD Student Code of Conduct and Student Handbook.

The school will use counseling, parent conferences, Restorative practices, detention hall, in-school suspension, and assignment to alternative learning center, suspension from school, and expulsion from school as means to correct behavior problems. A brief description of each method is as follows.

2. Parent Conferences: This method involves the parent, student, and a school employee attempting to solve the problem.
3. Restorative Practices: A community based approach to Discipline that focuses on rehabilitating offenders and repairing the harm caused to victims and to the classroom.

Conduct

Middle school campuses implement a structured conduct system to monitor and support student behavior. This system serves as a communication tool between the school, students, and parents, providing regular updates on behavioral progress. If concerns arise regarding a student's conduct, campuses encourage a collaborative approach. Parents and staff are invited to engage in open dialogue to address issues and work together toward positive outcomes.

Students absent for extended periods are given one day for each day missed to complete make-up work. The school will provide make-up work for students with 3 or more consecutive absences when requested. Twenty-four-hour notice is required.

MISSING WORK: As a school wide practice, students who fail to turn in assignments by the due date will be allowed the opportunity to complete the missing assignment for a maximum grade of up to 70%. Students may attend tutoring to complete any assignment below 70% for reteach for mastery.

ACADEMIC DISHONESTY: Students found to have engaged in academic dishonesty shall be subject to grade penalties on assignments or tests and disciplinary penalties in accordance with the Student Code of Conduct. Grading Guidelines

Daily Grades include classroom activities, homework, quizzes, in-class writing samples, or other in-class activities. Daily grades can be divided into different sub-categories, such as participatory daily grades (in-class activities, homework, etc.) and independent daily grades (quizzes, etc.).

Major Grades include long-term projects, in-class assessments, and tests.

Grades 5 – 6: Daily grades count for 60% of a student's average and major grades count for 40% of a student's average.

TUTORIAL PROGRAM: Tutorials are required for students whose progress in a subject is unsatisfactory or need additional instruction to master a skill. Teachers will post tutorial schedules.

CLUBS: Parents who do not want their child to join a specific club should notify the campus principal in writing.

FIELD DAY: The campus may schedule field day activities for students at different times of the school year. Parents who do not want their child to be involved in field day activities should notify campus administration in writing.

CONFERENCES WITH TEACHERS: Parents are encouraged to have conferences with teachers or any other school personnel if there is a concern. Parent/Teachers conferences are held by appointment only. To schedule a conference, please call the school office for times to schedule with the teacher.

FIRE/TORNADO/LOCKDOWN DRILLS: Fire and/or tornado and lockdown drills are held throughout the school year. Remember these basic rules.

1. Check the instructions in each classroom (they are posted) indicating how to leave the building in case of fire.
2. Walk, no talking. Move quickly and quietly to designated area.

SEVERE WEATHER: Occasionally the threat of severe weather, such as rapidly approaching hurricanes, rapidly dropping temperatures which can cause freezing rain and hazardous road conditions, or flooding makes it necessary to dismiss school earlier than usual in order for buses and cars to be able to travel the normal routes. Please visit the school district website for announcements concerning the dismissal or cancellation of school and the time when classes will be resumed if such dismissal or cancellation occurs. Parents will be notified automatically regarding school closings due to bad weather by the district's Connect Ed telephone call-out system and/or SKYWARD email.

TRANSPORTATION: School bus transportation is provided free of charge to a student living two miles or more from the school he/she attends. Bus transportation is available for those living less than 2 miles for a fee. While on the bus, the following rules are to be followed:

1. The driver is in charge; the students are to obey promptly.
2. Students must be on time since the bus cannot wait on tardy students.
3. Students should not stand in the roadway while waiting for the bus.
4. Students should speak in moderate tones on the bus and should not engage the driver in unnecessary conversation.
5. Once seated, students should not move about the bus. The bus must be stopped before students leave seats to disembark.
6. Use of tobacco is prohibited.
7. Throwing things on the floor or out the window is prohibited.
8. Students are never to extend arms or head out of the window.
9. Any vandalism to the bus will result in the student paying for the damage.

Failure to follow any of the bus rules will result in disciplinary action. Continued failure to follow bus rules will result in removal of the student from the bus. Students are not allowed to ride on a bus other than their assigned bus. If there are extenuating circumstances, the parent may call the transportation department.

Any Questions concerning pickup of students, buses not stopping, bus discipline/student behavior issues, and areas not served by buses, etc., should be referred to the Transportation Department at: 281-485-3562.

STUDENT PROPERTY/VALUABLES: Students are always responsible for their personal property. All backpacks MUST fit in student lockers. The locker measures 1 foot in width and 10 inches in depth. Students should not bring large amounts of money or valuables to school. Personal property is not covered by school insurance. When going to P.E., students should leave their valuables in their hall lockers.

WITHDRAWALS: Students withdrawing from the district must have all records cleared before leaving. The school requests notice from the parent at least three days in advance so that records and documents may be prepared. The parent may obtain a withdrawal form from the school's attendance clerk.

ADVANCED ACADEMICS: All Pearland ISD students who wish to accept the academic challenge of advanced classes are welcome to participate in the Advanced Program. Prior to making this commitment to course selections, students and parents should be aware of expectations and rigorous coursework for these classes so that they can make informed decisions. The following guidelines are provided to help students and parents make informed decisions:

Academic Consideration:

Advanced curricula are above grade level. Students should be independent learners as instruction is fast paced, in-depth, complex, and abstract. Student should understand that much of the work is done outside of class. An A or B in the subject area indicates that the student has the academic ability and the task commitment to succeed. Once enrolled, students **MUST REMAIN IN THE COURSE FOR SIX WEEKS** before a schedule change is considered.

Performance consideration: Advanced students should be independent learners who demonstrate.

- A. **Subject Mastery:** Students should not expect to be in before, during or after school tutoring to be successful in the advanced setting. **Students should not have to make corrections on many assignments in order to achieve passing grades in the advanced curricula.**
- B. **Motivation:** Students take advanced classes because it is the best preparation for junior high school; others, for the academic challenge. Whatever the reason, students should always apply their best effort.
- C. **Time Management and Organization:** Students are expected to begin assignments when they are assigned. Planners, Agendas, and Schedules are essential to prioritizing and maintaining self-discipline to complete multiple projects throughout the course of each 9 weeks.
- D. **Positive Attitude:** Advance classes demand more attention, work, time, and effort than regular class. Students should persevere when faced with challenges and take necessary steps to succeed in the class. Students who can adjust to the rigor while in middle school find greater success in junior high and high school.
- E. **Strong Work Ethic:** Students should be committed to achieve their goal to be successful in advanced classes and demonstrate that commitment by good attendance, punctuality, and by showing respect for themselves and others. Students should expect to do a considerable amount of study and preparation outside of class and to complete all assignments on time.

****Teacher/Counselor/Administrator will contact parent in the event student placement in advance classes becomes a concern and scheduling options need to be discussed for future academic and behavioral success.****
