

FINANCIAL AID CHECKLIST: FOR HIGH SCHOOL SENIORS

Need help paying for school? Follow the steps below to apply for financial aid!

APPLICATION PROCESS (OCTOBER–JANUARY)

Compare what it will cost to go to college at the schools you're interested in.

Visit studentaid.gov/apply-for-aid/fafsa/filling-out to create your Federal Student Aid account. Students and parents need their own accounts to complete the Free Application for Federal Student Aid (FAFSA). The combination of your account username and password is also called your FSA ID. These allow you and your parents to sign the FAFSA.

NOTE: You will use your FSA account for all federal aid actions. Be sure to remember your username and password or record it in a secure place. Never share your FSA ID.

Visit studentaid.gov to complete a FAFSA to be considered for federal and state aid. Complete the FAFSA after it becomes available during your senior year, typically Oct. 1. Tax data is automatically transferred to the FAFSA application, and all contributors (student and parent) must consent to this transfer for the FAFSA to be completed. The Department of Education will email you a FAFSA Submission Summary report after you submit the application. (U-M Federal School Code: 002325)

→ **Date FAFSA submitted^{1, 2}:** _____

Complete the CSS Profile at cssprofile.collegeboard.org if your school, state, or scholarship program requires it. This is used to consider you for institutional need-based grants and scholarships. Also, watch for communication from financial aid offices regarding any additional financial aid forms you might need to complete. The CSS Profile is also available on Oct. 1 of your senior year. (U-M CSS Code: 1839)

Applicants who file their financial aid application by the Suggested Filing Date of Dec. 15, and are admitted, will receive a preliminary financial aid package sooner. The financial aid deadline for Early Decision applicants is Nov. 15.

→ **Date CSS Profile submitted²:** _____

Continue to search and apply for private scholarships.

Receive notice that your FAFSA has been received and processed.

VERIFICATION PROCESS (JANUARY–APRIL)

Congratulations! You have been admitted. Colleges will now begin offering you financial aid.

Compare aid offers from various colleges. Look for your net cost after scholarships/grants and review your options to help pay those net costs. Focusing on net cost will help you compare different schools more easily.

Decide which college you want to attend and accept your financial aid offer, if required. Pay your enrollment deposit by May 1. ²

Turn in additional financial aid application documents to colleges/universities (tax returns and university documents), as requested.

FINAL STEPS (MAY–SEPTEMBER)

Will you have any costs to pay after your financial aid? If so, you should consider working part-time, borrowing if needed, using college payment plans, or other options to pay your balance.

Before school begins, complete your required online Federal Direct Loan Entrance Counseling and sign your Master Promissory Note for any loans that you accept (studentaid.gov).

If you were awarded Federal Work-Study, search for a job at studentemployment.umich.edu. This allows you to earn a paycheck to help pay your college expenses.

You are off to college – CONGRATULATIONS!!

¹ Be sure FAFSA is signed by both the student and parent.

² Apply early to receive financial aid notification by May 1.
