RE: Qualifications and Licensing of Teachers

In accordance with the Every Student Succeeds Act (ESSA) and in addition to our beginning of the year comprehensive Parents Right-To-Know notification, each parent and family member shall be provided timely notice if their child has been assigned or has been taught for four or more consecutive weeks by a teacher who does not meet applicable state certification or licensure requirements per their designated grade level/subject/content area.

This notice is to inform you that the teacher(s) below has been assigned as your child's teacher or has taught your child for four or more consecutive weeks while not meeting applicable qualifications or licensure requirements at the grade level/subject/content area per their assignment:

Name of Teacher	Does Not Satisfy ESSA Requirement (x)	Assigned Grade Level(s)	Subject/Content Area
Jessica Brown	x	6th/7th/8th Grade	English Language Arts

Your child's teacher currently does have the required teaching license in Middle School Social Studies, she is currently working on obtaining her certification in English Language Arts. We believe Mrs. Brown is an excellent teacher and will provide a quality education to your child.

If you have any related questions, please contact me at your convenience at [336-657-3388](tel:336-657-3388) or heather.brannock@allegany.k12.nc.us.
