

HALDANE

Capital Project Update

Presented to Board of Education September 16, 2025

Project Schedule

Project Goals

High School Design Updates

High School Addition

- ADMINISTRATION
- STUDENT SUPPORT
- CONFERENCE
- STUDENT CENTER
- STEAM INNOVATION
- CLASSROOM
- ART CLASSROOM
- CIRCULATION
- TOILET
- STORAGE/UTILITY

Proposed HS Building Addition

Proposed HS Building Addition

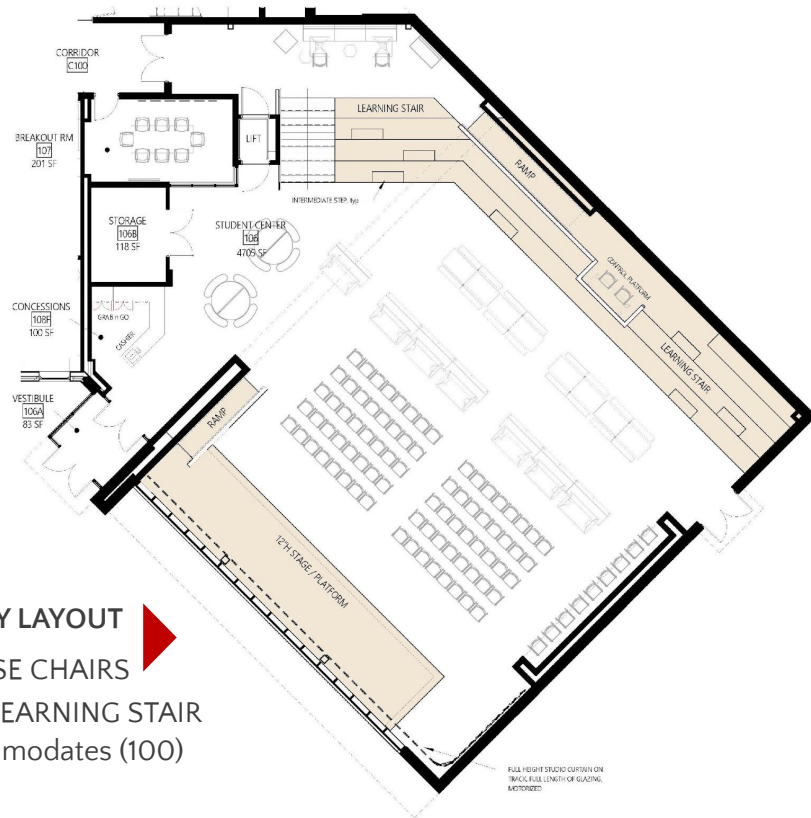

Proposed HS Building Addition

Student Center

CAFETERIA LAYOUT

(201) TOTAL SEATS
including (90) LOOSE
CHAIRS

ASSEMBLY LAYOUT

(90) LOOSE CHAIRS
FULL LEARNING STAIR
accommodates (100)

HS Student Center – View from Top of Learning Stair

Cafeteria Layout

Sitework Update

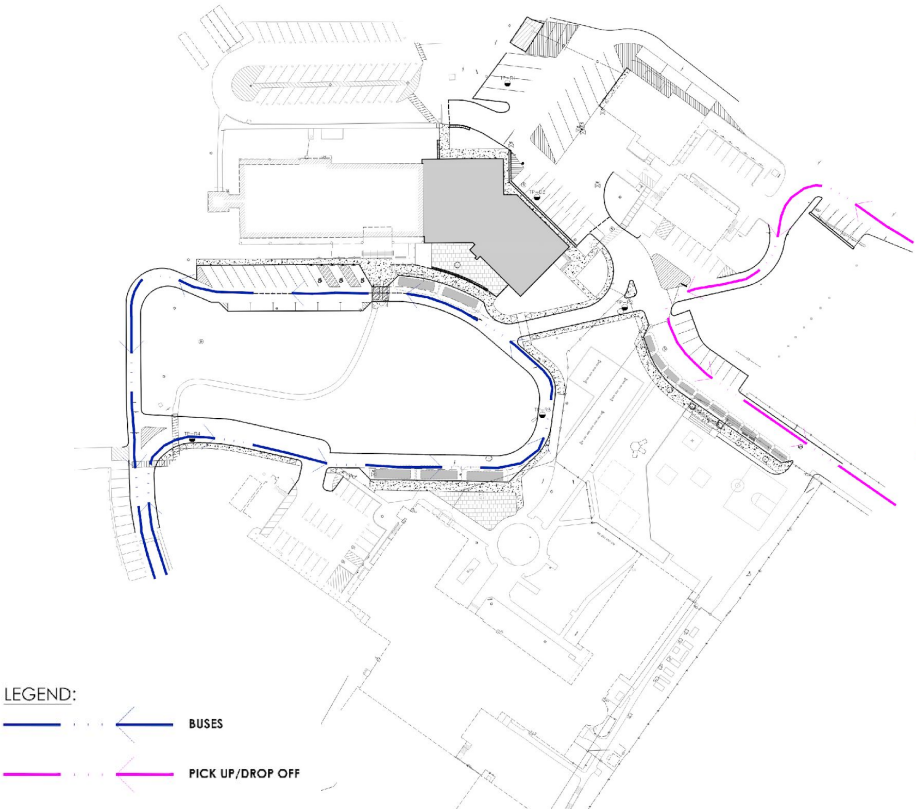

Sitework Planning

Goals	Proposed Changes
Separate/improve flow of bus, car, and pedestrian traffic for safety Paving and sidewalk repair	- Relocation and complete separation of bus traffic and parent drop off/pick up traffic (may evolve with transportation audit) - Reduction in pedestrian traffic by removing students from Mabel Merritt building - Improved sidewalks and crosswalks for safety and ADA
Improve emergency vehicle address to all buildings	Improved roadways, turns, and campus connectivity
Increase parking capacity	Additional car parking and bus staging areas
New bus drop off zones	Relocation of bus load/unload areas
Connect upper and lower campus	One-way traffic connecting upper and lower campus

Elementary School Drop Off/Pick Up & Buses

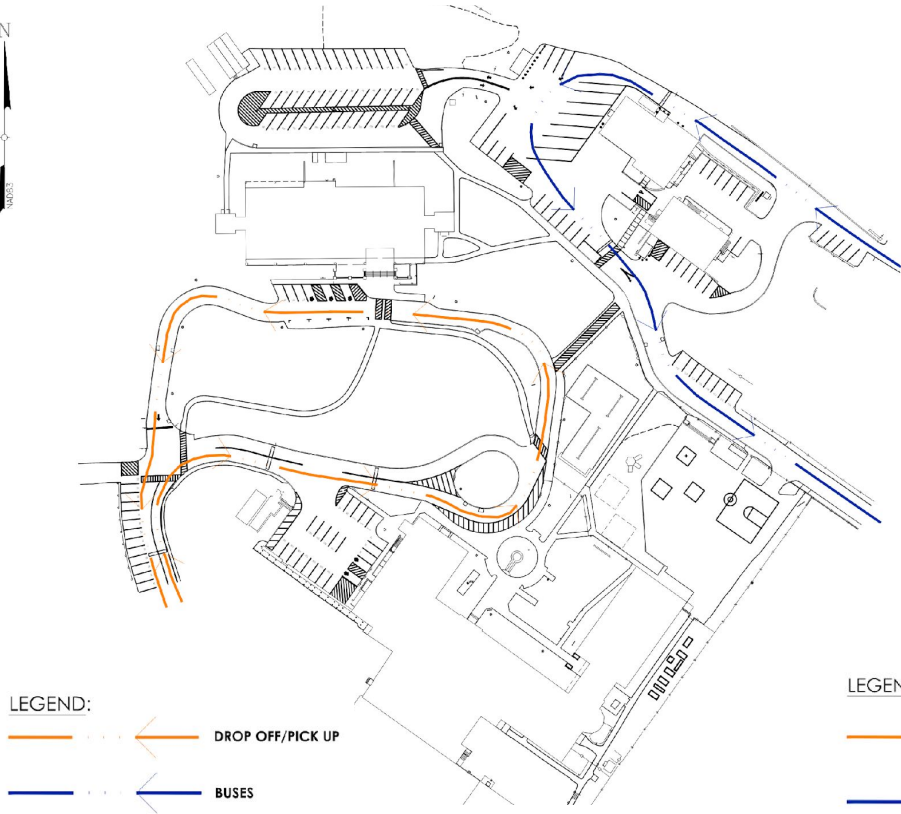

Existing Site

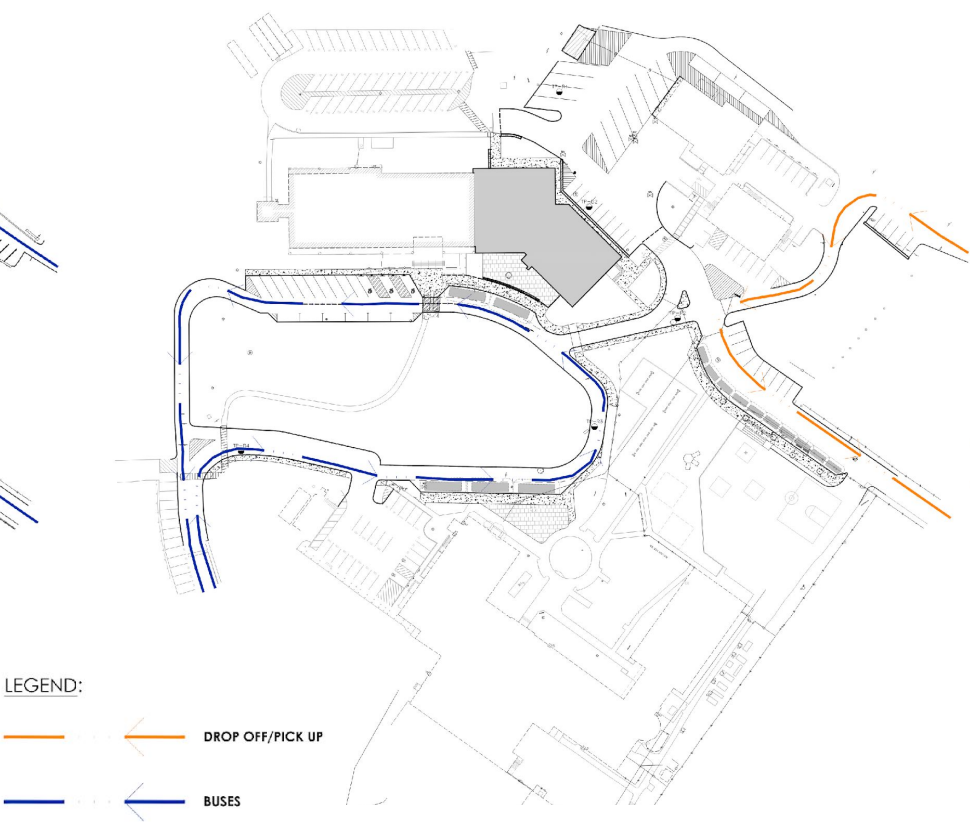

Proposed Site Layout

High & Middle School Drop Off/Pick Up & Buses

Existing Site

Proposed Site Layout

Sitework Next Steps

- Refine budget allocation: roadways, sidewalks, retaining walls, landscaping, etc.
- Consider transportation audit findings/recommendations to fine tune traffic flows
- Communicate with Village of Cold Spring on new campus traffic patterns

Community Updates

2025-2026 School Year

- Monthly/quarterly newsletter features
- Website
- Videos featuring Dr. Duffy, faculty, and students
- Newspaper ads encouraging attendance at BOE updates and/or public presentations
