

2025 - 2026

GWL Elementary School Clubs

In the attached packet you will find the list and descriptions of the clubs that are being offered to K-3 students this school year. Please complete the bottom portion of each club you are interested in joining and return to your child's teacher. Registration begins September 22nd & ends September 29th.

*****Registrations received after 9/29 will not be accepted*****

- Most clubs will begin the first full week of October.
- Please **do not** register for multiple clubs that run in conflict with one another as your child **cannot** be in two places at once. Talk about which club your child would like to commit to. *If you wish to indicate a backup club, just in case your 1st choice is full, please circle "1st choice" and "2nd choice" on the slips prior to returning them.*
- Should you register for two conflicting clubs without indicating your 1st and 2nd choice, we will need to make the choice for you. Thank you for your cooperation and understanding of our intent to have as many students as possible participate in an extracurricular club this year.
- Club facilitators **will confirm your registration** and provide the specific dates prior to the club's first meeting.
- Please respond promptly as space may be limited for some clubs.
Keep the top portion of the registration form so you have the session dates!
- Clubs meet from 8:00 am - 8:40 am
Students attending A.M. clubs must be walked to the main entrance and arrive promptly at 8:00 am. There will be a person checking in.
**Early birds or students unattended will not be allowed in.*

We look forward to seeing your children at our club offerings!

Best,
Ms. Ring
