In 2025, College Board recognized 118 GAC AP Scholars: *45 AP Scholars, 24 AP Scholars with Honor, and 49 AP Scholars with Distinction*

CURRICULUM

Students are enrolled in 7 classes per semester, earning .5 Carnegie unit for each course taken.

Honors and Advanced Placement Courses require minimum PSAT scores, grades, and teacher recommendations. Due to the rigor of AP courses, GAC advises 1 AP course sophomore year, 2 junior year, and 3 senior year as a most demanding curriculum. More AP classes are allowed by appeal. All students enrolled in an AP course are required to take the AP exam.

Dual Credit Courses offer 11th and 12th grade students the opportunity to take selected GAC academic coursework that meets the curriculum standards for college credit through Colorado Christian University.

Hybrid Learning offers students pursuing the arts, athletics, or other focus areas at an elite level to take a half day of classes on campus and the rest through Ethos School.

The Ethos School is a fully online platform that offers students a unique blend of synchronous and asynchronous courses developed by GAC faculty and aligned with our on-campus curriculum. ***www.ethosschool.org***

Service is a graduation requirement. GAC requires each student to log at least 50 service hours during their high school career.

GAC HIGH SCHOOL COURSE OFFERINGS

GAC requires all students to successfully complete our college preparatory curriculum with a minimum of 26 Carnegie Units. Typical course progression is found below.
*All courses are available through Ethos School; however, courses with (OL) are only offered online.
