## COLLEGIAL CIRCLE DESCRIPTION

### What was the anticipated goal(s) of this Collegial Circle?

Our goal was to put into action the practices we learned in the book 7 Mighty Moves by Lindsay Kemeny.

### What grade level(s) and or subject area(s) will benefit from this Circle?

Reading in K/1 specifically, also applicable to intermediate grades.

### What level of Guskey's Professional Development Evaluation did you select for this Circle?

Student learning outcomes.

## FINAL REFLECTIONS

### Was the goal of your Collegial Circle met? Please explain.

We felt our goal of implementation was met, although we would like an opportunity to have a more data-based measure of success. We are considering a follow-up collegial circle, utilizing a different format, to really apply what we've learned with intentionality and more accountability.

### How did the members of this Collegial Circle assess whether the outcome was met? What evidence was utilized to assess your progress?

Knowing we are in a program review and anticipate a shift in ELA instruction districtwide, we are looking forward to a higher level of implementation with great guidance from the district and are eager to continue our collaboration.

### How did your work impact teaching and learning? [Include student work samples, lesson plans, peer reviews, etc.]

We were emboldened to try new strategies and practices in our instruction and felt safe in talking about successes and challenges we encountered.

### Did your work align with the Level of Evaluation you identified in your proposal? Please explain.

**Please included any additional comments you would like to share with the Collegial Circle Committee. This may include unanticipated outcomes, next steps, new learning, etc.**

Members of the collegial circle are looking forward to continued collaboration and diving deeper into our learning in the coming school year.
