

What is a School - Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that staff, parents, and students can use
- Explain how parents and teachers can communicate about student progress.
- Describe opportunities for parents to observe, volunteer, and participate in the classroom.

Jointly Developed

The parents, students, and staff worked together and shared ideas to develop the school-parent compact. Teachers met with their subject area teams to design practical strategies for parents to use at home. Parents provided valuable feedback on their needs to help their students. Students completed comment cards to add ideas for the compact. Meetings are held each year to review and revise the compact based on the school's academic achievement goals and students' needs.

Parents are welcome to provide feedback on the compact at anytime during the school year. All feedback will be collected and reviewed during the annual revision meeting with parents. For more information, email askcms@troup.org, or you can call the school phone at 706.845.2080

Building Partnerships

There are many opportunities at our school for parents to volunteer and play a role in their child's education. Any time parents visit Callaway Middle our partnership is strengthened. Events will be shared in our handbook and on our website.

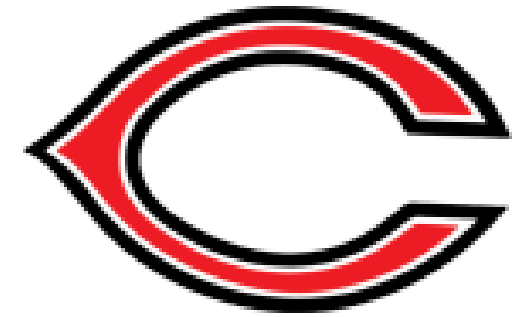

We hope to see you this year!

Communication About Student Learning

Callaway Middle is committed to frequent two-way communication with our families about student learning. Some of the ways you can expect us to reach you are:

- Updates on our school website
- Phone Calls & Emails
- Newsletters
- School Status
